Make sure that the dates of the exhibit are included in whatever documents are signed about the loan. Who signs from the White House, and does that include all documents as well as "Christa's" gifts?  
The exhibit is open to the public from March 11-July 31, 2002. The personal loan form which I have filled out for Karen lists the dates of loan from February 19-August 15, 2002. Thanks.

I think a letter to NARA outlining the conditions we have mentioned would be appropriate. Moose, what do you think?

This morning Karen presented the Library proposal to the President, which included your guidelines for loan of items he approves. Information is still floating in on that meeting.

What kind of paperwork do we need for the official loan?
