Rove/Goeglein. I did not have same negative reaction to last two days.
Are you referring to people in the audience or to the Dem. Senators?

Been a crazy couple of days for you guys, I expect. Congrats on getting

Miguel out of Committee. Thought the Senate Republicans did a great job yesterday and today.

At some point, I would like to talk seriously about what I can do to help you all with the nominations backlog. I certainly have some ideas and have an appreciation for the way in which the Committee works. I was up in the Senate the last two days watching our nominees get the tar beat out of them. Who is running point inside the WH on organizing the outside?
