Brett,

Great news about Karen.

Attached is a copy of an email I sent to Helgi Walker and Carolyn Nelson. Anything you can do to help would be great as we are in a time crunch. Ken is not listed on the invitation because he is sending out something this week about Campaign Finance Reform and does not want to be listed on two fundraising letters in the same week.

Regards, Alice

Carolyn,

Helgi Walker was kind enough to contact you about getting a speaker from the Bush administration for a political event on June 30.

My husband, Ken Starr, and I are helping with a fundraiser for Jack Rust, a candidate for the Virginia House of Delegates. Jack, an attorney in Fairfax, Virginia, formerly served in the General Assembly, but he was defeated in the last election by a hair. So we very much want him to get his seat back because he was the most effective Republican in the Virginia legislature.

On Monday, June 30 from 6:00 - 8:00 p.m., we are helping to host a reception at the home of George Shafran, a generous Republican

with a beautiful home at [REDACTED] (b)(6) in McLean, across the street from Colin Powell. We would like to have a prominent special guest attend the reception who will be a draw for the event. We would especially like to request if Judge Gonzales, Karl Rove, Andy Card, Larry Thompson or Ken Mehlman would be available? Unfortunately the invitations are scheduled to go out tomorrow so it would be helpful to know by then.

I have attached the invitation. If Judge Gonzales or someone from the administration can attend, we will place an insert in the invitation.

Many thanks for your assistance. - Alice
