MUS: Medical Liability
FC006-27

ADDITIONAL INFORMATION

A crisis in the making

The American Medical Association identified 12 states in the throes of a medical liability crisis. Physicians there are leaving the state, retiring early or abandoning high-risk services because they can't afford or can't find liability insurance. Another 30 states and the District of Columbia are seeing signs of problems. Eight states aren't experiencing problems.

States in trouble

- Florida
- Georgia
- Mississippi
- Nevada
- New Jersey
- New York
- Ohio
- Oregon
- Pennsylvania
- Texas
- Washington
- West Virginia

States showing problem signs

- Alabama
- Alaska
- Arizona
- Arkansas
- Connecticut
- Delaware
- District of Columbia
- Idaho
- Illinois
- Iowa
- Kansas
- Kentucky
- Maine
- Maryland
- Massachusetts
- Michigan
- Minnesota
- Missouri

Montana
Nebraska
New Hampshire
North Carolina
North Dakota
Oklahoma
South Carolina
South Dakota
Tennessee

What you can do

The AMA is calling for all physicians to get involved in the fight for liability reform. Here's how you can help:

- Contact your representatives and senators.
- Write a letter to the editor of your local newspaper.
- Contact your state medical society to see what can be done on a local level.
- Talk to your patients.

Council of State Neurosurgical Societies Professional Liability Insurance Survey Results

In late March, the Council of State Neurosurgical Societies conducted a survey of neurosurgeons across the country to gather preliminary professional liability insurance data. The survey was sent by broadcast fax to approximately 2,400 neurosurgeons in all 50 states. 563 were returned, for a 24% response rate. Responses were received from 49 states. The survey asked for premium and coverage limit information for 2000 through 2002. The survey also asked a number of questions to gauge behavioral responses, such as "Do you plan to retire, move or restrict your practice as a result of increases in professional liability insurance (PLI) costs?" A summary of the overall survey results follows:

Overall Survey Results

Premium Cost Information

The survey demonstrated that there clearly are multiple states where PLI costs have skyrocketed since 2000. The results also demonstrated that neurosurgeons in nearly all states have had increases in their PLI costs.

Premium Cost Increases (based on \$1 million/3 million coverage)

| <u>Year</u> | <u>Minimum</u> | <u>Median</u> | <u>Maximum</u> |
|-------------|----------------|---------------|----------------|
| 2000 | \$14,000 | \$38,000 | \$175,000 |
| 2002 | \$16,000 | \$51,000 | \$282,000 |

- Percent change from 2000-02
 - 50% of respondents had at least a 20% increase
 - 25% of respondents had at least a 64% increase
 - 10% of respondents had at least a 141% increase

- As a result of premium increases
 - 14% said they either plan to, or are considering, **moving**
 - 25% said they either plan to, or are considering, **retiring**
 - 34% said they already do, or are considering, **restricting their practices** (e.g., no longer doing cranial procedures or trauma)

Liability Hot Spots

The survey results showed that there are several "hot spot" around the country. These include (in alphabetical order): Arizona, Delaware, Florida, Georgia, Illinois, Kentucky, Michigan, Missouri, Nevada, New York, Ohio, Oregon, Pennsylvania, Tennessee, Texas, and Washington. Some examples include:

| State | 2000 PLI Rate | 2002 PLI Rate | Coverage Amount |
|--------------|---------------|---------------|-----------------|
| Arizona | \$50,000 | \$127,000 | \$1m/3m |
| Delaware | \$40,000 | \$182,000 | \$1m/3m |
| Florida | \$58,000 | \$210,000 | \$250k/750k |
| Georgia | \$20,000 | \$70,000 | \$1m/3m |
| Illinois | \$110,000 | \$283,000 | \$1m/3m |
| Kentucky | \$32,000 | \$99,000 | \$3m/10m |
| Michigan | \$40,000 | \$120,000 | \$1m/3m |
| Nevada | \$34,000 | \$139,000 | \$1m/3m |
| New York | \$154,000 | \$251,000 | \$1m/3m |
| Ohio | \$75,000 | \$168,000 | \$5m/7m |
| Oregon | \$40,000 | \$120,000 | \$1m/5m |
| Pennsylvania | \$54,000 | \$267,000 | \$500k/1.5m |
| Tennessee | \$78,000 | \$188,000 | \$1.5m/3.5m |
| Texas | \$25,000 | \$122,000 | \$500k/1m |
| Washington | \$59,000 | \$108,000 | \$2m/4m |

Liability Success Stories

The survey also showed that there are several states where PLI costs have remained stable or even decreased, over the past 3 years. In nearly most instances, these were states that have enacted meaningful tort reform laws, and include (in alphabetical order): California, Connecticut, Hawaii, Idaho, Indiana, Louisiana, Maine, Maryland, Nebraska, North Carolina, North Dakota, Oklahoma and Wisconsin. Some examples include:

| State | 2000 PLI Rate | 2002 PLI Rate | Coverage Amount |
|----------------|---------------|---------------|-----------------|
| California | \$29,000 | \$35,000 | \$1m/3m |
| Connecticut | \$44,000 | \$47,000 | \$3m/6m |
| Hawaii | \$23,000 | \$23,000 | \$1m/3m |
| Idaho | \$31,000 | \$34,000 | \$5m/5m |
| Indiana | \$24,000 | \$25,000 | \$250k/750k |
| Louisiana | \$60,000 | \$60,000 | \$1m/3m |
| Maine | \$13,000 | \$15,000 | ? |
| Maryland | \$23,000 | \$27,000 | \$1m/3m |
| Nebraska | \$14,000 | \$15,000 | \$200k/600k |
| North Carolina | \$21,000 | \$21,000 | ? |
| North Dakota | \$25,000 | \$29,000 | \$1m/3m |
| Oklahoma | \$32,000 | \$25,000 | \$1m/3m |
| Wisconsin | \$11,000 | \$9,700 | \$1m/3m |

Subject: Medical Malpractice Map

I think this AMA map is a pretty good first cut summary, at least on the crisis states. Nevada is temporarily improved because of the state legislature action. We have seen stories from the Carolinas, MO, IL as well.

Media Knock Iraq Attack Plans**Study Finds Networks, New York Times Critical of Potential Strike**

WASHINGTON, DC—Media coverage of the Bush administration's consideration of a military strike against Iraq has been 72 percent negative, according to a study released today by the **Center for Media and Public Affairs (CMPA)**. The study—which examined nightly network newscasts and *The New York Times* front page from July 1st through August 25th—also found that a majority of Republican sources were critical of the administration's stance.

Seventy-two percent of all assessments of the administration's Iraq strategy were negative, including 71 percent printed in *The New York Times* and 73 percent that aired on the networks. CBS aired the most balanced views of the Bush plan (56 percent negative) while evaluations on ABC and NBC were 80 percent and 76 percent negative, respectively. CBS also devoted 36 percent less air-time (30 minutes) to the Iraq debate than either ABC or NBC (48 minutes apiece).

A majority of Republican sources criticized the administration's posture towards Iraq (53 percent). GOP sources seen on network coverage were balanced (49 percent negative), while three of every five Republicans (59 percent) quoted in *The New York Times* disagreed with the White House. When sources not identified with a political party were cited, 88 percent of their comments were critical of the administration.

These are the latest results from **CMPA's** ongoing study of political coverage on network TV news and in other major media outlets. This report is based on evaluations of Bush administration policies made by sources and reporters in 66 news stories broadcast on the ABC, CBS and NBC evening news and 19 stories featured on the front page of *The New York Times* during the eight weeks between July 1 and August 25, 2002.

EXAMPLES:

"An attack on Iraq would seriously jeopardize, if not destroy, the global counter-terrorist campaign we have undertaken."
--General Brent Scowcroft, August 15th (CBS)

"Wars are never won on the defensive. We must take the battle to the enemy."
--Vice President Dick Cheney, August 8th (CBS)

NATIONAL BASEBALL HALL OF FAME AND MUSEUM

September 6, 2002

The Honorable Karl Rove
The White House
Washington, DC 20500

Dear Karl:

Ozzie Smith and I will be in Washington Monday, October 7, to give an evening talk at the National Geographic Society. My 45-minute multi-media talk – “Baseball As America” – will be an about the history of Baseball and how it has always reflected American society. Ozzie will then talk for 10-15 minutes about his career and answer questions.

I am sending along the Geographic’s catalog in case you are interested in reserving seats.

Prior to our talk, Ozzie and I would be delighted if you and a guest would join us at a small “Ballpark Fare” reception for a limited number of our friends. The reception, which begins at 6:00 p.m., will be in the Geographic’s Hubbard Hall. You may enter the doors on the west side of 16th Street just south of M Street NW. Our talk begins at 7:30 p.m.

Please RSVP to my assistant, Darci Harrington, at 607.547.0327 as soon as possible.

Hope you can join us.

My Best Wishes Always,

Dale Petroskey
President
