EVENT MEMOS

**USA FREEDOM CORPS SERVICE RECOGNITION**  
**Colorado Springs, Colorado**

---

1. Name: Gloria Moran
2. Activity: You will meet Gloria and pose for photos with her under the Presidential seal on Air Force One upon arrival, after the general greeting.
3. Background: Gloria was born in Green Mountain Falls, Colorado, and raised in Croswell, Michigan. She is a graduating cadet at the U.S. Air Force Academy.
4. Age: 22 years old
5. Service Record: Gloria has been involved with Falcon Club, a partnership between the U.S. Air Force Academy and Big Brothers Big Sisters Pikes Peak for the past three years. In addition to mentoring a student from the local community, Gloria served on Falcon Club's cadet staff, helping organize events for the cadets and their Little Brothers and Sisters. She was named Falcon Club's 2002/2003 Cadet of the Year, and 2003/2004 Big Sister of the Year.

Big Brothers Big Sisters provides supervised mentoring to at-risk youth in need of a positive role model. Since 1976, Big Brothers Big Sisters Pikes Peak has matched two academy cadets with one child from the community, to meet throughout the school year. This year, the program served over 125 children, ages 6-14 with the involvement of over 250 cadets.

As a volunteer mentor for Big Brother Big Sisters, Gloria meets once a month with the other Falcon Club cadets and their Little Brothers and Sisters for a club-wide activity, which could be anything from roller-skating to visiting a water park. In addition to this structured event, Gloria also spends time mentoring her Little Sister one-on-one through phone calls and visits.

Gloria has also volunteered with Arnold Air Society, an honorary service organization. She worked in soup kitchens, trail clean-ups, and performed yard work for the elderly. She also helped launch a reading program at Antelope Trails Elementary School in Colorado Springs to tutor first through fifth-graders who have difficulty reading.

6. Other: After graduation, Gloria will be assigned to the Services division at Canon Air Force Base, New Mexico.
7. Participation: Gloria will join you at the Air Force Academy Graduation Ceremony.

### REMARKS AT THE UNITED STATES AIR FORCE ACADEMY GRADUATION CEREMONY

Wednesday, June 2, 2004  
11:05 a.m. – 1:05 p.m.  
United States Air Force Academy  
Colorado Springs, Colorado  
Karl Rove

#### I. PURPOSE

To deliver the commencement address at the United States Air Force Academy.

#### II. BACKGROUND

The United States Air Force Academy is situated on 18,000 acres located against the eastern slope of the Colorado Rocky Mountains. It provides its students a four-year education with a full scholarship. The Academy annually commissions approximately 1,000 second lieutenants. Following graduation, each second lieutenant is obligated to serve at least five years in the armed forces. If they attend pilot training while at the Academy, they are required to perform ten years of service.

##### History of the Academy

The United States Air Force Academy is the newest of the service academies, having been established on April 1, 1954. The first class entered in July 1955 at temporary facilities at Lowry Air Force Base in Denver. The Cadet Wing moved to its permanent home in August 1958. The first class of 207 cadets graduated in 1959. Women cadets first entered the Academy in 1976, with the first class graduating in 1980.

##### The Cadet Experience

More than 9,000 applicants seek appointments to the Academy each year. Only approximately 1,200 are selected to begin Basic Cadet Training, a rigorous, five-week summer orientation program that introduces cadets to military life.

Air Force Academy cadet development focuses on character development, professional military training, academics, and athletics.

The school colors are blue and silver, and the school mascot is the falcon. There are approximately 4,000 cadets and 60 international students attending the Academy. The Air Force Academy provides 50 percent of Air Force pilots.

### The Class of 2004

The Class of 2004 has 968 cadets graduating. There are 98 distinguished graduates, the top ten percent of the class. Eighty-five percent of the class is male and 15 percent of the class is female.

There are eight international cadets graduating (with two of these being distinguished graduates) from the following countries: Jordan, Morocco, Taiwan, Singapore, Romania, South Korea, Thailand, and Lithuania.

In the class of 2004, seven cadets will be cross-commissioned into other services (two in Army, four in Marine Corps, and one Navy). There are 69 Post Graduate Scholarship/Fellowship Winners.

**Note:** This event is Congressman Joel Hefley's (R, CO-05) district, but he will not attend.
