The White House

Dear [Salutation]:

As we welcome the New Year, I thank you for the valuable contributions you have made at The White House and for your service to our country. The President and Mrs. Bush and the Vice President and Mrs. Cheney are deeply grateful for your hard work and dedication.

This has been a year of significant accomplishments. Together we have made important progress on domestic and foreign policy issues -- including successes in the war on terrorism, the creation of the Department of Homeland Security, education reform, and our efforts to improve the economy and promote a culture of responsibility, citizenship, and service.

There is nothing in which I take greater pride than the character and quality of the White House staff. You have maintained high ethical standards, and helped demonstrate that public service is a noble profession and a high calling.

Kathi and I wish you and your family a joyous Holiday Season and the best of New Years. May God bless you, and may God continue to bless America.

Sincerely,

Andrew H. Card, Jr.
