Subject: NOTE TO KAREN HUGHES

Hi Jo,
I was hoping you could forward my e-mail to Karen...

Karen,

P6/(b)(6)

Hope to talk to you soon...I was wondering if it would be possible to set up an interview with President Bush sometime next month, sort of looking back at his first year at The White House.....All I would really need is 10 minutes or his time...

The other possibility I would like to explore would be an interview aboard Air Force One....Kind of like when I interviewed him on the bus in New Hampshire....

Also I wanted to let you know I've saved a copy of the Boston Herald for the President that says Bush Wins....They only printed 500 copies before they stopped the presses....

I hope to talk to you soon.....Thanks in advance and I still can't believe it was more than two years ago that I first came to Texas to meet you guys.....Isn't this fun!!!!!!

Take care.....
Steve
