[nomination tracking2.xls](#)

Among Thursday nominees, I've completed the following today -- Houston, Sabraw, Crone, Cardone, Montalvo, Rodriguez, and Yeakel. That leaves Benitez, Burns, Fisher (Dale Susan), Hayes, Cohn, and Proctor for Thursday (and Ryan, Waldman, and Fisher (Mike) for Monday).

I've updated Patrick's chart to reflect current status of my BI reviews, and it's attached.

April 28, 2003 noms
