Scope and Content

The materials in FOIA 2014-0345-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2014-0345-F requested materials created by or sent to David Nason, Deputy Secretary of Treasury, related to securities regulation, the Securities and Exchange Commission (SEC), and market regulation.

This FOIA primarily contains news articles, press statements, press releases, FAQs, fact sheets, talking points, testimony, market updates, meeting agendas, and invitations, all sent to or from David Nason, related to the SEC. Many of these articles, statements, and press releases come

from the Office of Public Affairs at the Department of Treasury. Additionally, there are numerous meeting invitations and agendas for the Interagency Financial Markets Group. The textual portion of this request consists of a barcode scanning sheet and a letter regarding the Department of the Treasury's views in the case of Stoneridge Investment Partners, LLC v. Scientific-Atlanta, Inc. and Motorola. Inc.

System of Arrangement

The materials in FOIA 2014-0345-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – White House Office of Records Management (WHORM) Subject Files and George W. Bush Presidential Electronic Records.

WHORM Subject Files are processed at the document level.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at www.georgewbushlibrary.smu.edu

The Executive Office of the President (EOP) instance of the Electronic Records Archive (ERA) contains electronic records created or received by President George W. Bush. These records are stored in Search and Access Sets (SAS) that represent their originating computer program, such as Exchange Email or the Worker and Visitor Entry System (WAVES). In addition to records captured from the White House's electronic systems, EOP-ERA also contains records from the home and shared drives used by White House staff.
